Rotary International District 5370 is the third largest geographic Rotary district in the world. We encompass three provinces and two territories: northern BC, northern Alberta, northern Saskatchewan, the Yukon and NWT.

We have over 1 600 Rotarians and young leaders from all walks of life who come together to serve our communities.

This year, we will be hosting our District Conference at Jasper Park Lodge in the beautiful Canadian Rockies from April 20 to 23, 2023. As the world around us shifts and we are all experiencing great change, our conference this year will be about RESPECT; not only for each other as individuals but also for the world around us.

We will have speakers that focus on the environment, the importance of continuing our efforts towards polio eradication, diversity, working with young leaders, international projects, our district response to the Ukraine crisis and so much more.

AND, we are inviting our members to bring their families. There will be something for everyone!

Each day, there will be a kid's camp for those ages 6 to 12; this will include indoor and outdoor activities, meals and more. For our non-Rotarian adult friends, we have special events planned as well: quilting, gin tasting, art classes and more.

We have many great sponsorship opportunities available for this dynamic family conference:

- Event sponsor \$25 000
- Sponsor a guest speaker \$5 000 to \$7 500
- Friday Family Fun Night \$2 500 to \$10 000
- Youth programs \$500 to \$5 000
- And more

Sponsorships can be customized to create a partnership that will create impact and a return on your investment in Rotary and the work being done in our communities to create a hand up.

Join us in Jasper as we imagine a world that is diverse, equitable, sustainable, and polio free.
