

## ATTENTION QUILTERS

**News Flash:** Rotarians and non-Rotarian quilters **attending** the District Conference in April 2023 are invited to sell their quilted goods in the Marketplace and contribute to the Rotary Foundation Canada!

### Here's how:

- Email Donna Nicoll at [donna.nicoll@telus.net](mailto:donna.nicoll@telus.net) to indicate your interest in participating. She will assign you a Vendor Number.
- Bring your quilted item(s) to the District Conference to the Quilters' Booth in the Marketplace.
- After your item(s) has/have been sold you will be on your honour to donate the amount indicated on the ticket to the Foundation – your choice of the Annual Fund or Polio Plus. You will get a tax receipt from TRF Canada and the points will be added towards your Paul Harris.

### Some things to know:

- Each item should be tagged with your Vendor Number, the selling price and the percentage of the selling price that you will contribute to the Foundation -- a minimum of 20%. Also, add the size in inches and centimeters.
- Each contributor agrees to volunteer at the booth for a short time during the conference. The booth is in the same room as the sessions, so you won't miss anything.
- Payments will be made person to person by e-transfer from purchaser to vendor.
- Contributors will be responsible for picking up any unsold items at the conclusion of the Marketplace (3pm on Saturday at the latest).
- Rotary International District 5370 or the 2022 – 2023 District Conference or the Jasper Park Lodge accepts no liability for lost or stolen items.
